Description

The asset is inspired by the waves of the sea and the curves of the windblown sails, it is a unique project on the Limassol coast. It consists of three and four bedroom apartments. The elegantly shaped residential tower perfectly combines luxury living, privacy, tranquility and provides maximum enjoyment to its owners. The project consists of a 17-level tower with 22 apartments, two on each floor on levels 2 to 12 and three exclusive penthouses, one on each of the 3 top levels. Apartments on levels 2 to 12 may be combined to form 4-bedroom apartments that take up the entire floor. A new lifestyle concept where the residents of each of the exclusive apartments can enjoy the benefits of a boutique hotel with catering, room service, spa and gym facilities and the use of a swimming pool that hangs above the calmness of the sea below. At the back of the building a secure garden and children's playground has been designed for the use of the owners' families. In the basement there is a secure car parking and storage facilities for the apartments whilst guests may use the convenient car park available in a separate area behind the building.
